CONTROL SYSTEM

- New look larger foam floats and fine tune trim adjustment.

- New simplified trimming system with increased depower range for maximum safety.
- New Clam Cleat with 1 to 1 de-power.

- A positive connection between the chickenloop and bar enables you to hook back in without taking your hands off the bar.

- 100% flag out safety leash connection.

- Wear resistant PU trim line, yet replaceable if needed.

- Easily untangle your middle lines using the spinning handle.

- Expert riders leash connection ring.

- A foolproof simple intuitive release and reload safety system.

- New wider alloy central hole reducing friction

- Lightly sanded EVA grip and ergonomic finger grip bumps give you the ultimate bar grip when wet.

- A system that exceeds all Kitesurf/Snowkiting loading and release EU NORM safety standards.
